# WHY PRI LOGISTICS?

Our company is built upon simplicity and a history of positive client experience. We personally track your shipments from point **a** to point **b**, making sure that preventable and costly pitfalls are avoided along the way.

We provide peace of mind, leaving you doing what you do best, growing your company to its' potential.

---

We're so happy and satisfied with our shipments. Since we've enlisted PRI services, we have experienced exceptional sales and operational service.

*T.J Director Of Sales*

Pestell have worked with PRI Logistics for 2 years and in this time, they have been proven to be a partner in our business serving our needs.

*Gail Gottfried, Pestell Minerals*

Just wanted to let you know that the President of Mid Atlantic called our President to let him know how happy he was with the entire logistic process.

Timely, cost effective and without a scratch.  
Nice work, Thanks Again.
